

BUILDER'S RESOURCES

SUNDECKS | ROOF DECKS | BALCONIES | PATIOS | STAIRS | POOL DECKS | WALKWAYS

Duradek supports new home developers in creating exceptional outdoor living space - before, during and after construction.

Building Code Evaluations and Approvals

[Time Tested and Approved](#), Duradek meets building code standards as a walkable roof deck membrane. Duradek is currently the only PVC membrane that meets requirements for both a pedestrian traffic membrane AND a classified roofing system (with a Class A fire rated assembly). [Compare us to other decking options](#) and put us to the test.

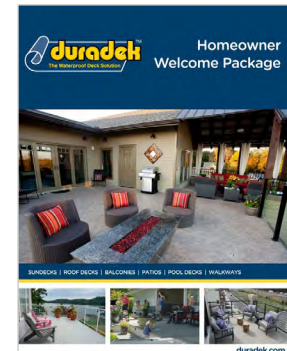

Best Practice Guide for Builders

Our [Best Practice Guide for Builders](#) helps ensure your project runs smoothly. Learn of possible issues that could arise before, during or after the construction cycle that we feel are better addressed as early in the building process as possible for a successful installation.

New Homeowner Welcome Package

Duradek offers additional support post-installation with a [Homeowner Welcome Package](#) (that can be personalized with your company's name) to ensure homeowners understand how to care for their Duradek outdoor living space.

Industry Leading 3-Tier Warranty

Duradek offers a [15-Year Waterproofing Warranty](#) and is the only vinyl decking product that clearly and specifically states that the warranty is transferable. Duradek Ultra 60 mil vinyl membranes have a 5-year Appearance Warranty protecting the homeowner from excessive discoloration over and above natural aging.

For over 45 years Duradek has been waterproofing decks, patios and flat roof decks. **Discover the Duradek Difference.**
